there are many theories on why managers do not as a behavior or should not as a value supplement profit orientation with people centrisim and planet sensitivity in practice managers do not supplement profit orientation with considerations for people and the planet unless they have the tools and know how to make that possible this book seeks to address that by focusing on the normative dimension of organizational development there are two competing norms

for developing an organization first as a profit oriented business enterprise and second as a people centric planet sensitive profit oriented business or social enterprise the performance of a business is a concern for all stakeholders with the growing realization of the importance of indirect stakeholders like the society and the planet it is increasingly important to raise awareness about the social and environmental responsibilities of businesses and organizations this book is a must read for academics researchers practitioners and policymakers who are concerned about the triple bottom line planet people profit performance of businesses which is critical for their long term sustainability it covers topics pertaining to the relationship between business and society including social entrepreneurship and corporate social responsibility among others and draws from real life case studies on social initiatives

the fourth edition of this popular text covers an even greater number of contemporary social problems including welfare and health care reform types of sexual harassment immigration problems and physician assisted suicide unlike other social problems texts a major focus of this book is to present proposals and programs that have been advanced to attempt to alleviate each of the social problems reviewed this text is organized to cover material in this sequence first deviances and social variations experienced by individuals then inequality problems experienced by certain groups next problems of troubled institutions and finally problems of the changing world this progression from individual problems to more complex problems assists the reader in grasping and understanding increasingly complex material

this book showcases outstanding u s programs providing young adolescents with meaningful learning activities through community service it consists of two parts with 18 essays and an introduction reflecting a range of experiences

after the landslide election of a new labour government in may 1997 what are the key social policy issues and problems which the new government needs to address social issues and party politics looks at the manifestos of the main parties and the way social issues figured in the 1997 election campaign and the early days of the new government chapters discuss green issues the management and financing of welfare in contemporary britain the delivery of key services in health education employment criminal justice housing personal social services pensions and other areas of social security the particular circumstances of northern ireland scotland and wales are also examined social issues and party politics takes social policy beyond the soundbite and provides a convincing and incisive analysis of current social policy approaches and inherited problems it identifies the deep social questions which will need to be addressed if labour is to deliver on its promise of a new britain
