vivid descriptions of the horrors of slave auctions and many other unforgettable and sometimes unrepeatable details of slave life accompanied by 32 starkly compelling photographs

in the late 1930s the federal writers project of the works progress administration embarked upon a project to interview 100 former american slaves the result of that unique undertaking is this collection of authentic firsthand accounts documenting the lives of men and women once held in bondage in the antebellum south in candid often blunt narratives elderly former slaves recall what it was like to wake before sunrise and work until dark enduring whippings branding and separations from one s spouse and children suffer the horrors of slave auctions and countless other indignities and finally to witness the arrival of northern troops and experience the first days of ambiguous freedom included here are vivid descriptions of good masters and bad ones and treatment that ran the gamut from indulgent and benevolent supervision to the harshest exploitation and cruelty these and many other unforgettable sometimes unspeakable aspects of slave life are recalled in simple often poignant language that brings home with dramatic impact the true nature of slavery accompanied by 32 starkly compelling photographs the text includes a new preface and additional essay by norman r yetman a specialist in american studies a valuable resource for students and scholars of african american history this thoroughly engrossing book will be of great interest as well to general readers read less

given the rise of new interdisciplinary and methodological approaches to african american and black atlantic studies the oxford handbook of the african american slave narrative will offer a fresh wide ranging assessment of this major american literary genre the volume will begin with articles that consider the fundamental concerns of gender sexuality community and the christian

ethos of suffering and redemption that are central to any understanding of slave narratives the chapters that follow will interrogate the various agendas behind the production of both pre and post emancipation narratives and take up the various interpretive problems they pose strategic omissions and veiled gestures were often necessary in these life accounts as they revealed disturbing too painful truths far beyond what white audiences were prepared to hear while touching upon the familiar canonical autobiographies of frederick douglass and harriet jacobs the handbook will pay more attention to the under studied narratives of josiah henson sojourner truth william grimes henry box brown and other often overlooked accounts in addition to the literary autobiographies of bondage the volume will anatomize the powerful wpa recordings of interviews with former slaves during the late 1930s with essays on the genre s imaginative afterlife its final essays will chart the emergence and development of neoslave narratives most notably in styron s the confessions of nat turner toni morrison s beloved and octavia butler s provocative science fiction novel kindred in short the handbook will provide a long overdue assessment of the state of the genre and the vital scholarship that continues to grow around it work that is offering some of the most provocative analysis emerging out of the literary studies discipline as a whole

grim commentaries by ships doctors and captains about slave factories living conditions aboard ships mutinies and their suppression and more 54 period illustrations unabridged reprint of the classic 1927 edition

the legacy of the slave family haunts the status of black americans in modern u s society stereotypes that first entered the popular imagination in the form of plantation lore have continued to distort the african american social identity in what sorrows labour in my parents breast brenda stevenson provides a long overdue concise history to help the reader understand this vitally important african american institution as it evolved and survived under the extreme opposition that the institution of slavery imposed the themes of this work center on the multifaceted reality of loss recovery resilience and resistance embedded in the desire of african african descended people to experience family life despite their enslavement these

themes look back to the critical loss that africans both those taken and those who remained endured as the enslaved poet phillis wheatley honors in the line what sorrows labour in my parents breast and look forward to the generations of slaves born through the civil war era who struggled to realize their humanity in the recreation of family ties that tied them through blood and emotion to a reality beyond their legal bondage to masters and mistresses stevenson pays particular attention to the ways in which gender generation location slave labor the economic status of slaveholders and slave societies laws affected the black family in slavery

firsthand accounts of escapes from slavery in the american south include narratives by frederick douglass sojourner truth and harriet tubman as well as lesser known travelers of the underground railroad

in unburdened by conscience anthony w neal forcefully argues that influential historians have been unable to offer a complete account of ante bellum era american slavery because of their preoccupation with humanizing the slaveholders he charges them with concealing the full horrors of slavery in order to present the slaveholders in a more positive light by skillfully weaving together candid first hand accounts of courageous ex slaves neal then permits us to see slavery in the united states from their point of view former slaves talk openly about the break up of their marital unions and families and about matters rarely examined in most american slavery history books those issues include the slaveholders legally sanctioned acts of violence their practice of slave breeding and their rape of black women through this work neal gives a voice to black people who endured american slavery and they present a sobering record of it that is not found in most books on the topic book jacket

god s amazing grace reconciling four centuries of african american marriages and families is an insightful study that will be welcomed by thoughtful practitioners and all who ponder the african american family s complexity readers familiar with the deep rich reservoir of african american family literature will recognize many of the black scholars referenced in this work readers unfamiliar with these sources will be grateful to discover them and the effective use of

disparate literature this work will become a different kind of guide for studying american history through the lens of the african american family underneath all the research is the search for answers to the compelling questions is there a correlation between slave owners denial to slaves god s design for the family and the familial chaos that has plagued african american families for more than a hundred fifty years and if there is connection what is it the author has brought something new to a familiar topic of discussion the bible the unique moral compass that steered this study is solidly anchored in the bedrock of holy scripture in this work the history and sociology of african american marriages are examined in light of the questions asked by holy scripture in so doing dr turner skillfully attempts to help readers make sense of the story of black families in america may this book mark the beginning to a new reality for african american families dr willie peterson senior executive advisor adjunct professor of pastoral ministries dallas theological seminary

slavery destroyed lives and fostered a strong racism which still haunts american history only through the efforts of the antislavery advocates slave resisters and runaways did americans finally end the practice in the united states and this did not occur until after slavery divided the country leading to the american civil war book jacket

this study discusses representations of slavery in post civil rights fiction and film as reflections of public policy and opinion concerning race in the united states used to discuss the 20th century historiography of slavery and tying both popular culture and historical studies to important political and cultural events and trends

this is the first book written to help african americans build a home library that celebrates the diversity of their culture and heritage

includes primary source material

this book presents joseph holston s epic painting series color in freedom in the four sections

or movements the artist envisioned the color plates in which strong simplified figures are endowed with rich expressive colors convey the slave s geographic and historical journey to freedom
